

Welcome to Tsuchiura City 土浦

Tsuchiura City History Tour

土浦市歴史巡り

During the Edo period, Tsuchiura prospered as the second largest city in Hitachi Province after Mito.

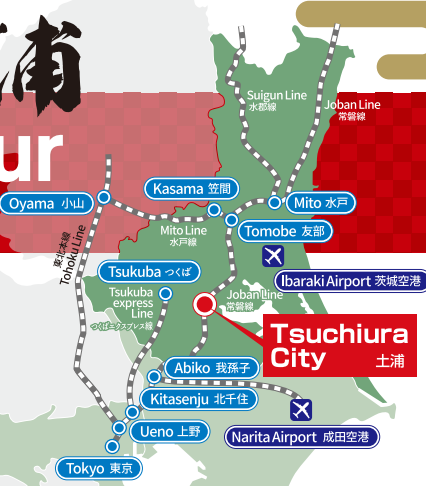

You can still see the prosperity of the castle town all along the street.

Enjoy a cityscape full of Edo atmosphere by walking along the distinctive cobblestone paths.

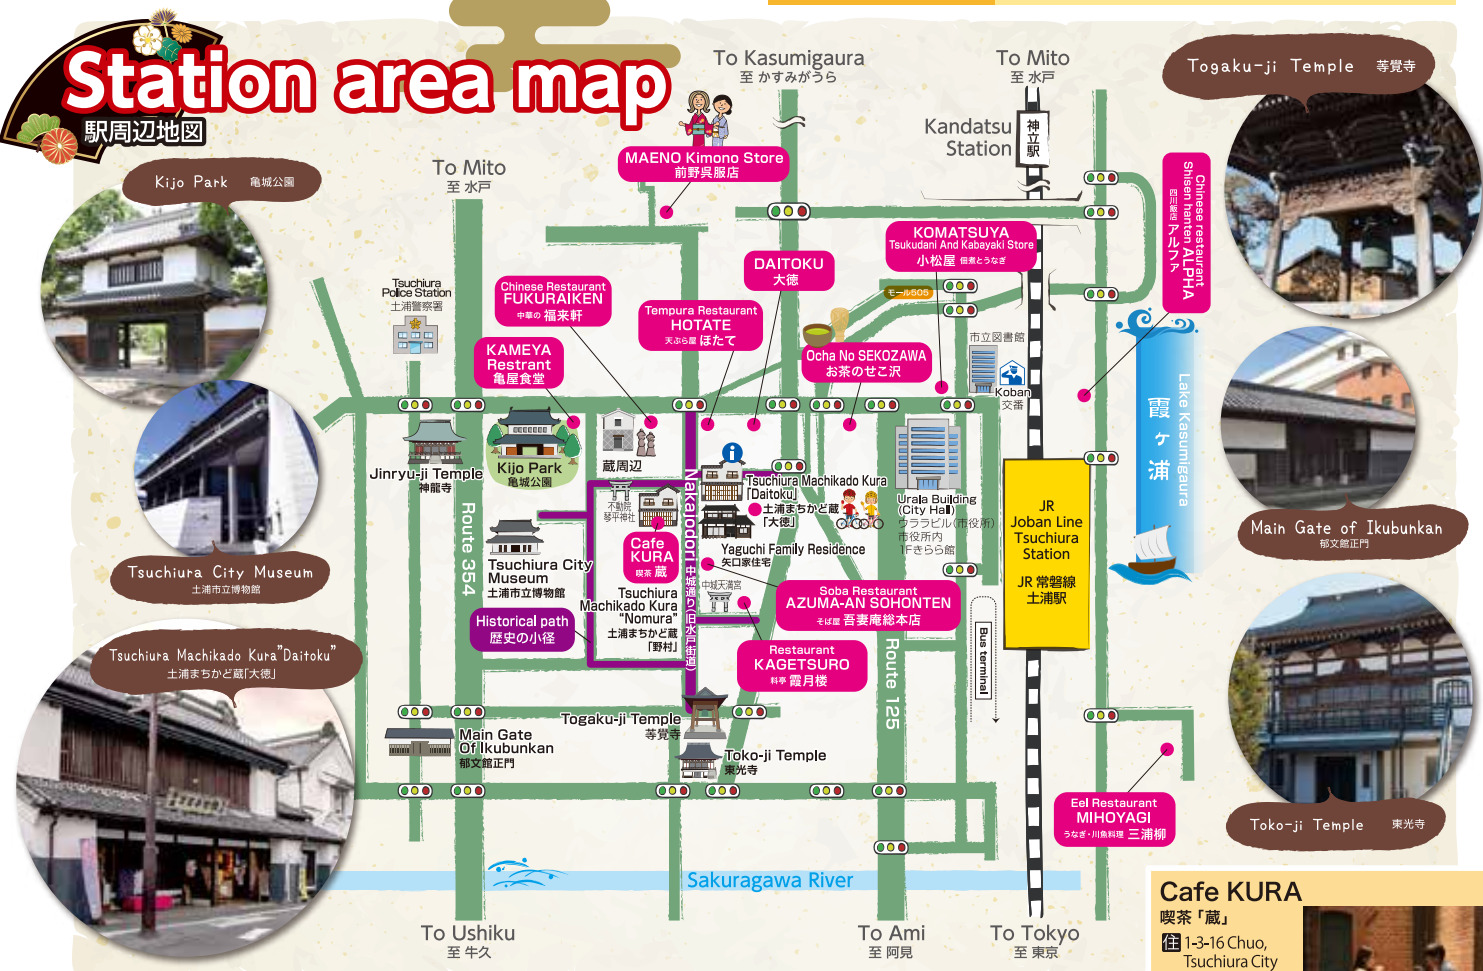

江戸時代、土浦は水戸に次ぐ常陸国第二の都市として繁栄していました。
今でも通りのあちこちに城下町として栄えた面影を見ることができます。
石畳で整備された趣ある散策路を巡ると、江戸情趣味あふれる街並みを楽しむことができます。

Time required
所要時間

[From Tokyo Station to Tsuchiura Station] About 90 minutes
